

Featuring Low Monthly Payments On Select Mitsubishi Forklift Trucks

Monthly payment as low as

\$289

Model FGC25N includes triplex mast, forks and sideshifter.

De Lage Landen Financial Services and Mitsubishi Forklift Trucks are offering exclusive low monthly payment options on select new Mitsubishi forklift trucks. From February 15 - May 31, 2010, you can take advantage of the special low lease payments on the Mitsubishi forklift truck heart-of-the-line models shown here.

A 5-year planned maintenance service contract is included along with the low monthly payment options.

Visit your local dealer to test the latest Mitsubishi forklift truck models and take advantage of this unique finance offering through De Lage Landen.

For more information, call 866.355.5438.

Payments are available for qualified buyers in the United States and are subject to credit approval. Customers outside of the United States should contact their local Mitsubishi forklift trucks dealer for more information. Please contact your participating dealer for more details. This promotion is subject to change without notice. This information is not to be considered definitive tax, accounting or financial advice. You should consult with your tax advisor or accountant to review all financing options. Electric units sold without battery and charger.
